A horizontal bar chart with a light gray background. The y-axis is on the left, with a blue vertical line at the far left. There are three horizontal bars. The first bar is blue and has the number '10' to its left. The second bar is green and has the number '7' to its left. The third bar is red and has the number '20' to its right. Above the green bar is the number '3000'. To the right of the red bar, the numbers '80' and '20' are stacked vertically.

Category	Value
Blue	10
Green	7
Red	20
